#### **Local Partner's Report:**

PSD Nepal happened to visit this temple during another project visit and saw the miserable condition of the children living in the Nava Jagaran Ashram. PSD talked to the people who were helping these children to decide what the most urgent needs were for the children. The local organisation, who received the funds, bought warm clothes and gave these to the children. In PSD's opinion, this project will have an immediate and direct effect on the children and will encourage them to stay in the Ashram instead of the nearby towns.

*"Nava Jagaran Ashram and the children are very much grateful to the sponsor. We will not be facing cold during the winter with these warm clothes", local community officer*
